**Customer feedback tells us the Noil outperforms the competition!**

*"We have been purchasing Coral Noil Mist Collectors from ITA, Inc. for the past several years. We currently have 28 units in our facility, a mix of Models 08's and Noil 12's. The units have resolved the various issues we were having and we find them to be reliable and run efficiently with no vibration. ITA's customer service department keeps us well informed on shipping and delivery dates and they are responsive to our needs."*
